

INNOVEX

INNOVEX MEDICAL
COMMUNICATIONS

Advisory Boards, Meetings, Congresses

- Our Live Action & Events Team offer the 'know-how' to maximise investment in meetings by delivering an integrated service:
 - Our Medical Team of writers and editors work with the faculty to develop **scientifically stimulating and interactive** programmes. Building positive working relationships to ensure the event objectives are communicated effectively
 - We offer **state-of-the-art audio visual support**, suitable for any event – ranging from clinical investigator meetings to large symposia and meetings – coordinating sound, lighting, graphics and multimedia, video and multi-venue satellite broadcasts
 - Our skilled Meetings Services team provides a comprehensive **meeting delivery package** from venue research, flight analysis & co-ordination, delegate logistics management that adhere to healthcare compliance guidelines
 - Award-winning **Exhibition Stand** service includes design, construction and on-site support providing innovative and creative solutions from modular systems to a full be-spoke exhibition service
